

## **Your Stages of Business Development Plan - Soul CEO**

Written by Soul Profit Business

There are many factors that influence the success of your business. Below I have detailed the main 'stages' of business that you need to go through to develop your business. There are many other important factors that will influence your business and success as well but these four stages are the essential framework for your business growth. I have listed some other influences below for you to write about so that you are aware of your own thoughts and actions that may influence the 4 main stages below.

### **Soul CEO - Stage 1**

### **Soul CEO - Stage 2**

### **Soul CEO - Stage 3**

### **Soul CEO - Stage 4**

## The 4 Stages of Business Development - Strategy

	The What	The How	Action
